Thomas Alleyne's High School Provider Access Policy.

Introduction:

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement:

All pupils in years 9-13 at Thomas Alleyne's High School are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

A provider wishing to request access should contact:

- Mrs Carole Louise Dodd
- Telephone: 01889 561820; Email: office@tahs.org.uk

Opportunities for access:

The CEIAG provision at Thomas Alleyne's High School is centred around our Future Intentions Programme which has three stages as follows:

Future Intentions Stage One:

- **Year 9** - Career exploration through year 10 GCSE/BTEC option choices; including interactions with local higher education providers.
-
- **Year 10** - Employability Skills and a Future Intentions Day focused on employer engagement and career pathways.

Future Intentions Stage Two:

- **Year 11** – Post-16 options; Education or apprenticeships routes explored.

Future Intentions Stage Three:

- **Sixth Form** - Post-18 options, work experience, Future Intentions Week and preparing for the world of work.

Students in all year groups, their parent(s)/Carer(s) and staff at Thomas Alleyne's High school will have access to Unifrog.
In addition, providers may wish to attend our annual Future Intentions Fair

Premises and facilities:

Within The school will make the theatre, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations.

Such arrangements must be discussed, scheduled and agreed in advance of the visit with the designated SLT CEIAG Leader or a member of their team.
