Appeals procedure against internal assessment decisions (centre assessed marks)

Certain components of GCSE and GCE and other qualifications (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the centre. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Thomas Alleyne's High School is committed to ensuring that internal assessments are marked and administered fairly, consistently and in accordance with the awarding body specifications and subject-specific associated documents.

This is ensured by:

- Subject staff having the necessary and appropriate knowledge, understanding, skills, and training in this activity
- Subject staff authenticating candidates work according to the requirements of the relevant awarding body
- A process of internal moderation and standardisation led by nominated staff
- Candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
- Candidates will be informed that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.
- Upon receipt of a request for copies of materials, subject staff will promptly make them available to the candidate within **2 calendar days**. This will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

All appeals must follow the procedure detailed below.

Note - *appeals may only be made against the marking/assessment process not against the mark submitted by the centre for moderation by the awarding body.*

- Thomas Alleyne's High School will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within **5 calendar days** of receiving copies of the requested materials by completing the internal appeals form.
- Thomas Alleyne's High School will allow **5 calendar days** for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
- Thomas Alleyne's High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.

- Thomas Alleyne's High School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
- Thomas Alleyne's High School will inform the candidate in writing of the outcome of the review of the centre's marking.
- The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The internal review process is in place to ensure consistency of marking with the centre. The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. This process is outside the control of Thomas Alleyne's High School and is not covered by this procedure.

Procedure for Enquiry about Results (Awarding Body marks)

An EAR is a **Review of Marking**. Scripts are reviewed by a Senior Examiner to ensure that the marking policy has been adhered to and applied correctly. Scripts are not remarked blind by another examiner. Thomas Alleyne's High School will advise students and/or parents/carers regarding their decision to apply for an EAR. However the final decision lies with the student. The student must sign the consent form to confirm their understanding of the possibility that the grade awarded could go up, remain the same or could go down. Where a student wishes to apply for an EAR the school will process that request in full. The student must pay the full cost of the EAR upon application. If the EAR results in a higher grade being awarded the cost of the EAR will be refunded in full. No refund will be given for a change in mark which does not result in a higher grade or where the grade awarded is lowered.

Where a student is entitled to help with costs through funding for disadvantaged students the school may, at the discretion on the Head Teacher, meet the costs of EAR in part or full.

The school may wish to request an EAR or re-moderation for a cohort of students. Where the school makes this decision no charge will be made to the students regardless of the outcome, however permission must be received from each individual.

The fees charged by the awarding bodies will be available on request from the Exams Officer.

Appeals procedure following the outcome of an enquiry about results

Where the head of centre remains dissatisfied after receiving the outcome of an EARs, an appeal will be made to the awarding body, following the guidance in the JCQ publications *Post-results services* <http://www.jcq.org.uk/exams-office/post-results-services> and *A guide to the awarding bodies' appeals processes* <http://www.jcq.org.uk/exams-office/appeals>

Where the head of centre is satisfied after receiving the outcome of an EAR, but the internal candidates and/or their parents/carers are not satisfied, they may make a further representation to the head of centre. Following this, the head of centre's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates, parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the head of centre's decision, this will allow the centre to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be charged for the appeal must be paid by the appellant on submission of the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.
