

Our Ref: CLD/LW

July 2022

Dear Year 13 student,

Year 13 Results day – Thursday 18th August 2022

I hope that you are well, and that you are enjoying the summer thus far. We are looking forward to you receiving your results in August, and I would like to take this opportunity to thank both you and your family for the support offered throughout your time with us in the Sixth Form at Thomas Alleyne's High School.

We are inviting Sixth Form students into school on Thursday 18th of August 2022 to collect A-level and BTEC results between 8am-12pm. Please enter the school through the main school entrance, after which, you will be able to collect your personalised results envelope from the school Theatre.

On the day itself, we have arranged for staff to be available should you require any advice and guidance with your pathways or if you are looking to confirm university places. If you are expecting any GCSE results they will be available for collection from the Theatre on Thursday 25th of August from 9am-12pm.

We will have a team of staff on hand to offer you support and guidance if required, once results have been collected. I have attached some additional information which you may find helpful ahead of results day.

If you are unable to collect your results on the above date, you should have completed a results collection form which was given to you during the exam period. If you do not have the form, or your circumstances have changed, for ease, we have attached a copy of it to this email. Once completed, please email the form to exams@tahs.org.uk with the title 'Exam Results' ahead of results day, so that that arrangements for collection can be made.

We are looking forward to seeing many of you on results day to celebrate your achievements. As your time with us Thomas Alleyne's comes to an end, we wish you all the best with your results and with your future plans. We look forward to you joining our Alumni and hearing about your continued successes.

Yours Sincerely,

Mrs C. L Dodd
Deputy Headteacher
