

How to register your account with Talaxy (Pupil guide)

Go to portal.office.com and login to your office 365 account. Navigate to your emails and leave them open.

Open up another tab, and navigate to TAHS.TALAXY.APP

Click on the Login box in the top right hand corner....

On the next screen... click on the 'Microsoft' text.

You should then be greeted with the Accept Permissions Screen

Permissions requested

tasc-idp-com

[App info](#)

This application is not published by Microsoft or your organisation.

This app would like to:

- ✓ View your basic profile
- ✓ Maintain access to data you have given it access to
- Consent on behalf of your organisation

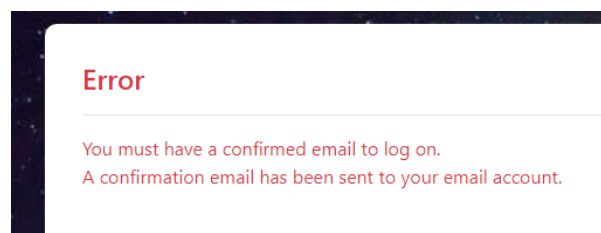

Accepting these permissions means that you allow this app to use your data as specified in their Terms of Service and Privacy Statement. **The publisher has not provided links to their Terms for you to review.** You can change these permissions at <https://myapps.microsoft.com>. [Show details](#)

Cancel

Accept

Click Accept and you may be greeted by this error screen.

At this point you need to return back to your Office 365 Outlook emails and click on the confirmation email.

The Email link will be sent to you by ident@tascsoftware.co.uk

Hello!

Please click the button below to confirm your account.

Confirm account

If you did not create an account, no further action is required.

This confirmation email is valid until 6:41 PM.

When you 'Confirm account' you will be redirected to this page confirming your account creation.

Email confirmation

Thank you for confirming your email. Please [click here](#) to log in.

After you 'click here' you will be asked to login again. You should now be able to login using the Microsoft Button from the Sign in With section.
