If you are enrolling for post 14 qualifications, the Learning Records Service will give us your unique learner number (ULN) and may also give us details of any learning or qualifications you have undertaken.

Once you are aged 13 or over, we are required by law to pass on certain information to the provider of youth support services in your area. This is the local authority support service for young people aged 13-19 in England. We must provide the address of you and your parents, your date of birth and any other information relevant to the support services' role.

However, until you are aged 16 or older, your parent(s) can ask that no information beyond your name, address and date of birth (and their name and address) be passed on to the youth services provider. This right transfers to you on your 16th birthday. Please inform the Business Manager if this is what you or your parents wish.

For more information about young peoples' services, please go to our local authority website <http://www.staffordshire.gov.uk/Homepage.aspx> or go to the Directgov page at <https://nationalcareersservice.direct.gov.uk>
