5<sup>th</sup> July 2021

Dear \*

## Year 9 Setting

### Re:

Further to our letter earlier this term, we are now able to confirm setting information with you, following transition work with our middle school partners.

\*\* has been placed in the following sets in \* population:

**Mathematics:** set \*      **Science:** set \*      **English:** set \*

Students have been placed in teaching groups for Mathematics and Science, according to their ability in each of these subjects.

Students in set 1 and 2 for science will follow GCSE triple science courses. All other students will complete double award combined science.

For English, French, RE, Geography, History, Art, Music, Drama, PE, DT and ICT students are taught in mixed ability groups.

These settings have been decided on by us based on assessment data provided by middle schools. Please be reminded that we are **not** able to consider friendship groups as part of this process.

We continue to look forward to meeting the students on Thursday 2<sup>nd</sup> September 2021. In the meantime, we would like to remind parents and students of our upcoming transition evening via Zoom on Wednesday 7<sup>th</sup> July from 6.30pm – 7.30pm. Details regarding this evening have been sent out in a separate letter.

We will continue to communicate with you regularly, but should you have any further questions please do not hesitate to contact us in school. Also please visit our school website <http://www.thomasalloynes.uk/> which has all the information you may need and is being updated with new information regularly.

Yours sincerely

Mrs H Major  
Assistant Headteacher
