

**Subject: BTEC Extended Certificate  
in Health & Social Care**

**Exam Board: Pearson**

Welcome to the BTEC Extended Certificate in Health & Social Care. We are delighted that you are considering Health & Social Care as an option in Year 12. To demonstrate your commitment to the course and to prepare you for September, you must complete the following task to the best of your ability. This task is compulsory and must be completed prior to your first Health & Social Care lesson in Year 12.

We expect you spend at least 3 hours completing the task outlined in this pack. The activities have been designed to help you begin to develop some of the key skills you will need for independent study for the BTEC Extended Diploma in Health & Social Care.

**Learning Objectives:**

- To develop a basic understanding of equality and diversity in Health & Social Care.

## What is Health & Social Care?

Health & Social Care is a vocational subject which will give you many academic and practical skills to prepare you for the world of work in the Health and Social Care sectors.

It is a mix of Psychology, Communication, Anatomy & Physiology, Sociology and Research Methods combined with practical work experience in a variety of placements. Many people when they think of Health and Social Care think of careers in nursing or midwifery but whilst this is true, it can also lead to a wide variety of other careers in teaching, policing, social work and counselling plus more besides.

## Task 1: How can we promote equality?
